Connect Dots Fredi Marsha Heydt:

Connect the Dots with Fredi Marsha Heydt, 2015-12-04 Marsha created this activity book Connecting the Dots with Fredi to accompany The Adventures of Fredi and her Lily Pad Band. This book allows students to connect the featured instruments from the book and the flags of their home nations. It can be implemented into history, geography, or English Language Arts classes where students can actively do small break out groups where they discuss the flags, the historical content of each country. Encourage your class to present their shared outcome as a group. This would make an excellent 7-13 minute group activity. At the end of each activity, readers are challenged to match the friend's face with an instrument or flag. Have fun with Fredi and explore.

The Adventures of Fredi and Her Lily Pad Band Marsha Heydt, 2015-12-04 Fredi a sax playing frog finds that she has a broken reed on her instrument's mouthpiece. One by one she seeks out her band members to learn how sound and vibration work in each of their instruments. The book prominently features multicultural community friendship and music. This interdisciplinary book can be used in subjects as in science, social studies, and reading. At the end of the book, readers will find instruction for dancing the Cha Cha as well as crossword puzzle and word finder games. An accompanying activity book called Connecting the Dots with Fredi is also available. Additionally, a free download of the song Fredi's Cha Cha from her latest CD Diggin The Day is available at www.marshaheydt.com under Publications. The book is geared for children from 5-8 years old.
